Tips and Tricks

Before disposing of materials in your bin, think to reduce and reuse.

MEMO

Place your recyclable materials in a transparent bag.

Dispose of your bags in the container behind the Municipal Hall in Lourdes de Blanc-Sablon.

Did you know that 85% of waste is actually recyclable or reuseable?

We invite you to learn about the composting project from Mgr. Scheffer School to reduce your waste.

Do your part!

Every small action counts for saving our planet!

Do you know what happens to the materials we recycle?
